

Vincennes University Common Core Outcomes
Approved by CAAC, Oct. 25, 2012

Students who complete Vincennes University Common Core requirements will be able to:

- Engage in articulate expression through critical reading and effective written, oral, and digital communication.
- Apply quantitative reasoning and a variety of numeric data to solve problems in a variety of disciplines.
- Evaluate ethical behavior as an individual and as a member of local and global communities.
- Apply critical and creative thinking skills to solve problems.
- Integrate knowledge and perspectives of different disciplines to answer complex questions.
